The majority of the members of the Local Board must be representatives of business in the local area. **At a minimum, two (2) members must represent small business** as defined by the U.S. Small Business Administration. Businesses serving on local boards may also serve on the State Board.

Each business representative must meet the following criteria:

- Be an owner, chief executive officer, chief operating officer, or other individual with optimum policymaking or hiring authority

DRAFT

2. Business representatives should not typically include non-profits unless they are set up as a business cooperative. The exception would be a non-profit economic development or chamber of commerce organization.
3. Because of the WIOA requirement to appoint business representatives that offer employment opportunities, local boards must minimize the number of sole proprietors serving as business representatives on the Board and must not allow a sole proprietor to be elected as the ADWDB chair. Instances where sole proprietor business representatives on the ADWDB would be appropriate include, but are not limited to:
 - a. Local areas with thriving entrepreneurial economies that have one or more large or in-demand industries in which many of the jobs are as sole proprietors
 - b. An entrepreneur selected to be a business member of the ADWDB is a well-known and respected community leader, and is actively engaged in economic and community development related activities relevant to growing and preparing the local area's workforce
4. The State does not support local boards counting a public sector employer as part of the business majority, even if it is a major employer in the local economy.

Special Rule for Representatives of Education and Training

If there are multiple eligible providers serving the local area by administering adult education and literacy activities under Title II of WIOA, or multiple institutions of higher education serving the local area by providing workforce investment activities, each representative on the Board shall be appointed from among individuals nominated by local providers representing such providers or institutions, respectively. If local programs cannot identify a representative, CDE/AEFL Office will be available to offer suggestions to the local board for guidance in identifying criteria for selecting one adult education representative.

Multiple Entity Representation

Members of the ADWDB may be appointed as a representative of more than one entity if the individual meets all the criteria for representation described above for each entity represented.

Additionally, up to five (5) ex-officio members as selected by the Executive Committee, shall serve as members of the LWDB. These positions may not be delegated to other positions within an organization. These positions will not have voting privileges.

- An individual may be appointed as a representative of more than one entity if the individual meets all the criteria for representation
- All required board members must have voting privilege. The chief elected officials may convey voting privileges to non-required members."

- Appointment of the members of the local board from the individuals nominated or recommended, and

If, after a reasonable effort, the chief elected officials are unable to reach agreement, the Governor may appoint the members of the local board from individuals so nominated or recommended.

Upon a vacancy due to removal or resignation, the ADWDB staff will notify the Chair via electronic communication and begin working with the BOCC, the ADWDB, and the Arapahoe/Douglas Works! Business Services Team to identify an appropriate replacement to ensure a prompt nominee to fill the vacancy and guarantee the ADWDB remains in compliance with these by-laws and federal regulations.
